INVITATION

Dear Friends and Colleagues,

It is with great pleasure that we invite you to attend the 2nd Congress of South Asia Initiative for Diabetes in Pregnancy (SAIDIP).

SAIDIP 2018 will be held on 25th–27th of MAY 2018 in BENGALURU, “The Silicon Valley of India”.

The great success of the first SAIDIP Congress held in Colombo, Sri Lanka, in 2016, has paved the way to create a similar Congress in yet another destination in South Asia—SAIDIP 2018 Bengaluru INDIA.

To bring increased attention and encourage exploration on diabetes in pregnancy within the South Asia region and replicate over a decade of success of the Diabetes in Pregnancy Study Group in India it was decided earlier to form group called the South Asia Initiative for Diabetes in Pregnancy (SAIDIP).

The SAIDIP 2018 will provide a prospect for all accomplices to interact with health care providers enthusiastic across the country. The scientific committee is planning a state of the art scientific program which will be of interest to diabetologists, endocrinologists, internists, obstetricians, gynecologists and basic research scientists. A galaxy of achievers from India and abroad will grace this conference and share their experiences with us. We hope this congress will add a great value to your clinical practice and you will enjoy the magnificence of Silicon Valley of India.

Additionally, controversial topics and use of new technologies in perinatal medicine will be discussed in detail. This will allow participants to formulate a modus operandi through evidence provided by the presenting experts.

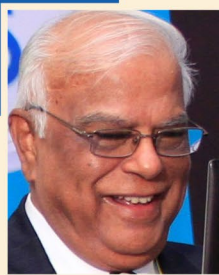

The faculty comprises of renowned specialists and experts from all over the world, who will present the most updated clinical and laboratory revolutions, based on evidence as well as practical experience.

We look forward to your participation.

With best wishes and hoping to see you in Bengaluru.
